

Mobility of Prof. Dr. Shaban Buza		
48	<i>Dates:</i>	7-10 March 2016
	<i>Program:</i>	Short mobility - Project Kick Off Meetings
	<i>Principal subjects / occupational skills covered:</i>	ERASMUS + Capacity Building in the Field of Higher education (CBHE) Library Network Support Services: modernising libraries in Western Balkan countries through staff development and reforming library services [LNSS]
	<i>Name and type of institution providing education and training:</i>	Brasov, Romania
47	<i>Dates:</i>	20-22 January 2016
	<i>Program:</i>	Short mobility – Seminar as NCP
	<i>Principal subjects / occupational skills covered:</i>	Hydropower and its future role
	<i>Name and type of institution providing education and training:</i>	European Commission JRC Centre Technical University of Istanbul, Turkey
46	<i>Dates:</i>	16-19 December 2015
	<i>Program:</i>	Short mobility – Seminar on ERASMUS+
	<i>Principal subjects / occupational skills covered:</i>	Contact Seminar with the Western Balkans in Vienna in capacity as Rector of University of Gjakova “Fehmi Agani”, where there were presentations and butt meetings with representatives of higher education institutions in European countries and those of the region to know and find potential issues of cooperation through projects ERASMUS +
	<i>Name and type of institution providing education and training:</i>	European Commission, ERASMUS+ Vienna, Austria
45	<i>Dates:</i>	September 2015
	<i>Program:</i>	Visiting Professor - CEEPUS III
	<i>Principal subjects / occupational skills covered:</i>	Lectures and presentation at Workshop and Chairman at Conference of Young Researchers
	<i>Name and type of institution providing education and training:</i>	Technical University, Faculty of Mechanical Engineering, Sofia, Bulgaria, Burgas Network of universities collaborating in the frame of project CEEPUS III
44	<i>Dates:</i>	24-28 August 2015
	<i>Program:</i>	Short mobility – Managing group working meeting
	<i>Principal subjects / occupational skills covered:</i>	The meeting of the management group to discuss the finalization of the project activities.
	<i>Name and type of institution providing education and training:</i>	London, UK TEMPUS IV Project - Developing information literacy for lifelong learning and knowledge economy in WBC
43	<i>Dates:</i>	28-31 July 2015
	<i>Program:</i>	Short mobility – Information Literacy and Managing group working meeting
	<i>Principal subjects / occupational skills covered:</i>	The meeting of the management group and Managing group to discuss on ongoing project activities.

	<i>Name and type of institution providing education and training:</i>	Sarajevo, Bosnia and Herzegovina TEMPUS IV Project - Developing information literacy for lifelong learning and knowledge economy in WBC
42	<i>Dates:</i>	17-20 June 2015
	<i>Program:</i>	Short mobility – Short visit and participation at Conference WBIL
	<i>Principal subjects / occupational skills covered:</i>	The meeting with the project coordinators to discuss the achievements and ongoing activities during the Conference WBIL
	<i>Name and type of institution providing education and training:</i>	Bihac, Bosnia & Herzegovina TEMPUS IV Project - Developing information literacy for lifelong learning and knowledge economy in WBC
41	<i>Dates:</i>	6-7 May 2015
	<i>Program:</i>	ETNA Plus Workshop
	<i>Principal subjects / occupational skills covered:</i>	Shaping the Horizon 2020 Transport challenge
	<i>Name and type of institution providing education and training:</i>	7th May 2015, The Hague, The Netherlands
40	<i>Dates:</i>	April 2015
	<i>Program:</i>	Visiting Professor - CEEPUS III
	<i>Principal subjects / occupational skills covered:</i>	Lectures and presentation at Plovdiv Conference
	<i>Name and type of institution providing education and training:</i>	Technical University, Faculty of Mechanical Engineering, Sofia, Branch Plovdiv, Bulgaria Network of universities collaborating in the frame of project CEEPUS III Network Umbrella number CIII-BG-0722-03-1415
39	<i>Dates:</i>	30-31 March and 1 April 2015
	<i>Program:</i>	BEWARE and ETNA Plus joint event
	<i>Principal subjects / occupational skills covered:</i>	- BEWARE Workshop: Innovation chain - opportunities for aeronautical organisations in Europe - ETNA PLUS Transport Research IPR and Standardisation Issues - Factory Tours
	<i>Name and type of institution providing education and training:</i>	Rome, Italy
38	<i>Dates:</i>	11-13 February 2015
	<i>Program:</i>	MASTERCLASS and the Information Day & Brokerage event
	<i>Principal subjects / occupational skills covered:</i>	C-ENERGY2020 MASTERCLASS and the Information Day & Brokerage event on H2020 Smart Cities and Communities
	<i>Name and type of institution providing education and training:</i>	Brussels, Belgium
37	<i>Dates:</i>	2-4 February 2015
	<i>Program:</i>	Annual Meeting Of The Horizon 2020 NCP Network For Smart, Green And Integrated Transport
	<i>Principal subjects / occupational skills covered:</i>	This was the first meeting that Kosovo was represented by the NCP among other representatives from 33 different countries. Presentations, lecture and briefing experts according to the agenda of relevant experts dealing not only transport but also the drawing

		of projects, proposals and finding partners for calls for applications to Horizon 2020, was an interesting experience and the valuable.
	<i>Name and type of institution providing education and training:</i>	European Commission, Brussels, Place Rogier
36	<i>Dates:</i>	9-13 December 2014
	<i>Program:</i>	Short mobility – Participation of NCPs) for Energy at “SET Plan Conference” and kick Off meeting of C-Energy Project
	<i>Principal subjects / occupational skills covered:</i>	-Driving the Energy Transition Together -Connecting Energy NCPs in a pro-active network under SC 3 “Secure, clean and efficient energy” under Horizon 2020
	<i>Name and type of institution providing education and training:</i>	Roma, Italia
35	<i>Dates:</i>	29-31 October 2014
	<i>Program:</i>	Short mobility – Participation at “WB Pet Regional Conference”
	<i>Principal subjects / occupational skills covered:</i>	Conference with presentations of projects/mobility components Erasmus + and about the manner and procedures for new applications for projects/mobility of teaching staff and students of higher education institutions of the WBC.
	<i>Name and type of institution providing education and training:</i>	Belgrade, Serbia EU Programmes for Higher Education: Their Role and Impact on the Western Balkans
34	<i>Dates:</i>	21-25 September 2014
	<i>Program:</i>	Short mobility – Managing group working meeting
	<i>Principal subjects / occupational skills covered:</i>	The third meeting of the management group to discuss the achievements and ongoing activities of the project.
	<i>Name and type of institution providing education and training:</i>	Podgorica, Montenegro TEMPUS IV Project - Developing information literacy for lifelong learning and knowledge economy in WBC
33	<i>Dates:</i>	September 2014
	<i>Program:</i>	Visiting Professor - CEEPUS III
	<i>Principal subjects / occupational skills covered:</i>	Lectures and presentation at Workshop and Conference of Young Researchers
	<i>Name and type of institution providing education and training:</i>	Technical University, Faculty of Mechanical Engineering, Sofia, Bulgaria, Varna Network of universities collaborating in the frame of project CEEPUS III Network Umbrella number CIII-BG-0722-02-1314
32	<i>Dates:</i>	10-15 June 2014
	<i>Program:</i>	Short mobility – Working visit and participation at Conference WBIL
	<i>Principal subjects / occupational skills covered:</i>	The meeting with the project coordinators to discuss the achievements and ongoing activities during the Conference "Western Balkan Information Literacy"
	<i>Name and type of institution providing education and training:</i>	Bihac, Bosnia & Herzegovina TEMPUS IV Project - Developing information literacy for lifelong learning and knowledge economy in WBC
31	<i>Dates:</i>	20-23 May 2014
	<i>Program:</i>	Short mobility – Participation in the conference and workshop

	<i>Principal subjects / occupational skills covered:</i>	Conference and Workshop on the possibility of joint research programs and degree between universities of the WBC and European countries within the Erasmus +.
	<i>Name and type of institution providing education and training:</i>	The Hague, Netherlands INTERUV Third Regional Conference - Joint study programmes: facilitator for university internationalisation in EU/EEA countries and the Western Balkans
30	<i>Dates:</i>	28 April – 1 May 2014
	<i>Program:</i>	Short mobility – Working meeting
	<i>Principal subjects / occupational skills covered:</i>	Meeting of group on Information Module (ILMWG) to discuss the module online (Online modules IL) - translation, price and distribution, as well as the coordinators discuss other organizational details and current activities.
	<i>Name and type of institution providing education and training:</i>	Tirana, Albania TEMPUS IV Project - Developing information literacy for lifelong learning and knowledge economy in Western Balkan Countries
29	<i>Dates:</i>	March 2014
	<i>Program:</i>	Visiting Professor under CEEPUS III
	<i>Principal subjects / occupational skills covered:</i>	Lectures and Workshop presentation on “Computer Aided Design - New Strategies for Designing Mechanical Assemblies”
	<i>Name and type of institution providing education and training:</i>	Technical University, Faculty of Mechanical Engineering, Sofia, Bulgaria Network of universities collaborating in the frame of project CEEPUS III Network Umbrella number CIII-BG-0722-02-1314
28	<i>Dates:</i>	03 March 2014 – 04 March 2014
	<i>Program:</i>	Short Mobility – Regional launch event
	<i>Principal subjects / occupational skills covered:</i>	Preparing together for EU accession through cooperation on research and innovation
	<i>Name and type of institution providing education and training:</i>	EU Commission Horizon 2020 Regional Launch Event for Western Balkan, Budva, Montenegro
27	<i>Dates:</i>	16 December 2013 – 21 December 2013
	<i>Program:</i>	Short Mobility – Working visit
	<i>Principal subjects / occupational skills covered:</i>	Meeting with project coordinator to discuss the achievements and further activities, visits of Library at University of Limerick, City Library and Library of Institute of Technology.
	<i>Name and type of institution providing education and training:</i>	Limerick Institute of Technology, Ireland TEMPUS IV Project - Developing information literacy for lifelong learning and knowledge economy in WBC
26	<i>Dates:</i>	5 December 2012 – 8 December 2012
	<i>Program:</i>	Short Mobility – Working visit
	<i>Principal subjects / occupational skills covered:</i>	Meeting with partners to discuss the achievements, activities and future cooperation.
	<i>Name and type of institution providing education and training:</i>	University of Applied Sciences, Aachen, Germany TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
25	<i>Dates:</i>	18 October 2012 – 21 October 2012
	<i>Program:</i>	Short Mobility – Experience Exchange
	<i>Principal subjects /</i>	Vising facilities and laboratories of UKLO, meeting with academic

	<i>occupational skills covered:</i>	staff and students of Technical Faculty and discussion on student projects and further cooperation.
	<i>Name and type of institution providing education and training:</i>	St. Kliment Ohridski University Bitola, Macedonia Faculty of Technical Sciences TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
24	<i>Dates:</i>	11 October 2012 – 15 October 2012
	<i>Program:</i>	Short Mobility – Experience Exchange/Visiting Lecture
	<i>Principal subjects / occupational skills covered:</i>	Lecture for the students of Institute of Mechanics and Mechatronics, visiting laboratories, discussion on research projects and further cooperation.
	<i>Name and type of institution providing education and training:</i>	Ss. Cyril and Methodius University in Skopje, Macedonia Faculty of Mechanical Engineering TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
23	<i>Dates:</i>	4 October 2012 – 8 October 2012
	<i>Program:</i>	Short Mobility – Experience Exchange/Visiting Lecture
	<i>Principal subjects / occupational skills covered:</i>	Lecture for the Mechatronic students, visiting laboratories and discussion on student projects and further cooperation.
	<i>Name and type of institution providing education and training:</i>	TU Vienna, Austria TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
22	<i>Dates:</i>	23 September 2012 – 29 September 2012
	<i>Program:</i>	Short Mobility – Experience Exchange
	<i>Principal subjects / occupational skills covered:</i>	Analyses of the teaching plans and curricula for special courses at BME and MME level in FME-TUS, update on laboratory equipment and visit the Plovdiv international Fair and meeting with Director of SPESIMA and Cluster Mechatronics and Automation Dr. Venzislav Slavkov.
	<i>Name and type of institution providing education and training:</i>	Technical University of Sofia, Bulgaria TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
21	<i>Dates:</i>	10 September 2012 – 14 September 2012
	<i>Program:</i>	Short Mobility – Workshop in Ohrid
	<i>Principal subjects / occupational skills covered:</i>	Workshop and conference title: Perspectives of Mechatronics Engineering
	<i>Name and type of institution providing education and training:</i>	St. Kliment Ohridski University Bitola, Macedonia Faculty of Technical Sciences TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
20	<i>Dates:</i>	18 July 2012 – 24 July 2012
	<i>Program:</i>	Short Mobility – Experience Exchange
	<i>Principal subjects / occupational skills covered:</i>	Visiting of laboratories of Mechatronics and introduction of ongoing projects, especially on ‘apple identification and palletizing’, visiting of Robotics laboratory at Dalmine and introduction with projects and ideas for the next ones. Also, very helpful discussion on equipment that can be worth having at our faculty laboratories in Prishtina.
	<i>Name and type of institution providing education and training:</i>	University of Bergamo, Italy TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies

19	<i>Dates:</i>	24 June 2012 – 27 June 2012
	<i>Program:</i>	Short Mobility – Experience Exchange
	<i>Principal subjects / occupational skills covered:</i>	Introduction to the teaching programs, capabilities and structure of the Department of Mechanical Engineering and Mechatronics at the Aachen University of Applied Sciences. In depth presentation of the mechatronic Bachelor and Master curricula implemented at University, including student projects and laboratory work. A visit tour of laboratories at the host Department.
	<i>Name and type of institution providing education and training:</i>	University of Applied Sciences, Aachen, Germany TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
18	<i>Dates:</i>	22 June 2012 – 23 June 2012
	<i>Program:</i>	Short Mobility – Workshop in Amsterdam, Netherland
	<i>Principal subjects / occupational skills covered:</i>	Workshop title: Eco-efficient solutions in freight transport chains
	<i>Name and type of institution providing education and training:</i>	Consortium of BESTFACT FP7 project
17	<i>Dates:</i>	11 December 2011 – 16 December 2011
	<i>Program:</i>	Short Mobility – Experience Exchange
	<i>Principal subjects / occupational skills covered:</i>	Introduction to the teaching programs, capabilities and structure of the Department of Design and Technologies at the University of Bergamo. In depth presentation of the mechatronic curricula implemented at University, including student projects and laboratory work. Presentation of the projects by PHD students in the mechatronics fields as hardware in the loop, parallel kinematic machines, vision systems etc. A visit tour on the mechatronics labs and Robotic Laboratory.
	<i>Name and type of institution providing education and training:</i>	University of Bergamo, Italy TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
16	<i>Dates:</i>	10 October 2011 – 14 October 2011
	<i>Program:</i>	Short Mobility – Workshop/Training
	<i>Principal subjects / occupational skills covered:</i>	Introduction to the teaching programs, capabilities and structure of the Faculty of mechanical engineering, Institute for Mechanics and Mechatronics at TU Wien and teaching methods in Mechatronics. Presentation of the students projects and seminars (from all three levels of study) methodology and results. A tour for presentation of few laboratories at the Institute for Mechanics and Mechatronics.
	<i>Name and type of institution providing education and training:</i>	TU Vienna, Austria TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
15	<i>Dates:</i>	29 September 2011 – 30 September 2011
	<i>Program:</i>	Short Mobility – Workshop in Ljubljana, Slovenia
	<i>Principal subjects / occupational skills covered:</i>	Workshop title: Transport Research Opportunities Workshop
	<i>Name and type of institution providing education and training:</i>	Consortium of TransNew is a FP7 project
14	<i>Dates:</i>	22 August 2011 – 10 September 2011
	<i>Program:</i>	Short Mobility – Professor Exchange/Visiting Professor
	<i>Principal subjects /</i>	Lectures on Robotics, CAD/CAM/CAE, Finite Elements to Bachelor,

	<i>occupational skills covered:</i>	Master and PhD students, chaired three Workshop/seminars!
	<i>Name and type of institution providing education and training:</i>	Bharath University, Chennai, India
13	<i>Dates:</i>	11 July 2011 – 15 July 2011
	<i>Program:</i>	Short Mobility – Workshop in Budva, Montenegro
	<i>Principal subjects / occupational skills covered:</i>	Workshop title: Education and industry networking
	<i>Name and type of institution providing education and training:</i>	University of Montenegro, Faculty of Mechanical Engineering TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
12	<i>Dates:</i>	13 March 2011 – 27 March 2011
	<i>Program:</i>	Short Mobility – Project PRO8
	<i>Principal subjects / occupational skills covered:</i>	Pro8 is a project oriented module at the FH Aachen in Aachen, Germany, designed to simulate the future working environment of a mechanical engineer. As participants in this project were included students from Macedonia, Montenegro and Kosovo At the very start of the project week, the teams are presented with a real problem from the industry, usually from a representative of a company working in this field. Then, the teams are asked to find the best suitable solution to this problem in the time frame of the given schedule.
	<i>Name and type of institution providing education and training:</i>	University of Applied Sciences, Aachen, Germany TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
11	<i>Dates:</i>	February 2011
	<i>Program:</i>	Short Mobility – Working/Experience Exchange visit
	<i>Principal subjects / occupational skills covered:</i>	Visit of laboratories and facilities of different faculties, possibility on student and staff exchange, development of project, etc.
	<i>Name and type of institution providing education and training:</i>	University of Leoben, Austria TEMPUS IV project – With University of Prishtina team from the office for Academic Development
10	<i>Dates:</i>	2 February 2010 – 6 February 2010
	<i>Program:</i>	Short Mobility – Working visit
	<i>Principal subjects / occupational skills covered:</i>	Introduction with details and timeframe of the project activities, study visits planning, workshops, trainings and as well as financial aspects of the project. Built of the agenda for forthcoming meeting/workshop was agreed in principle and time periods for the mobility among partner countries.
	<i>Name and type of institution providing education and training:</i>	University of Applied Sciences, Aachen, Germany TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
9	<i>Dates:</i>	7 July 2010 – 11 July 2010
	<i>Program:</i>	Short Mobility - Workshop
	<i>Principal subjects / occupational skills covered:</i>	Workshop title: Reaching the EHEA in WBC in the field of Mechatronics
	<i>Name and type of institution providing education and training:</i>	University of Applied Sciences, Aachen, Germany TEMPUS IV DRIMS - Development of Regional Interdisciplinary Mechatronics Studies
8	<i>Dates:</i>	November 2009
	<i>Program:</i>	Short Mobility – Study visit

	<i>Principal subjects / occupational skills covered:</i>	Exchange of experience on teaching and research methodologies
	<i>Name and type of institution providing education and training:</i>	FH Joanneum, Graz, Austria In frame of MSDP+ programme financed by WUS Austria
7	<i>Dates:</i>	September 2009
	<i>Program:</i>	Short Mobility – Study visit
	<i>Principal subjects / occupational skills covered:</i>	Exchange of experience on teaching and research methodologies
	<i>Name and type of institution providing education and training:</i>	University of Maribor, Faculty of Mechanical Engineering, Slovenia In frame of CDP+ programme financed by WUS Austria
6	<i>Dates:</i>	19 May 2009 – 20 May 2009
	<i>Program:</i>	Short Mobility – Consultation Session
	<i>Principal subjects / occupational skills covered:</i>	National Background Reports on Transport of the WBC.
	<i>Name and type of institution providing education and training:</i>	WBC-INCO.NET, May 19 and 20, 2009, Sarajevo, Bosnia-Herzegovina Consultation Session on Transport within FP7 project
5	<i>Dates:</i>	November/December 2008
	<i>Program:</i>	Short Mobility – Working visit
	<i>Principal subjects / occupational skills covered:</i>	Visits to DCU, exchange of experience and discussion of further cooperation.
	<i>Name and type of institution providing education and training:</i>	Dublin City University, Ireland Tempus IV project - Promoting the Bologna Process in Kosovo
4	<i>Dates:</i>	September 2007
	<i>Program:</i>	Short Mobility – Workshop
	<i>Principal subjects / occupational skills covered:</i>	Work on final draft proposal for “Policy on Comparability and Recognition of Old and New (Bologna) Study Programs” which will enable HEI to facilitate smoother transfer to the graduate/students from old to new degrees and study programs.
	<i>Name and type of institution providing education and training:</i>	Struga, Macedonia Tempus IV project - Promoting the Bologna Process in Kosovo
3	<i>Dates:</i>	December 2006
	<i>Program:</i>	Short Mobility – Working visit and workshop
	<i>Principal subjects / occupational skills covered:</i>	One week Workshop and study visits to Faculty of Social and Educational Policy of University of Peloponnese and at University of Patras.
	<i>Name and type of institution providing education and training:</i>	University of Peloponnese, Corinth, Greece Tempus IV project - Promoting the Bologna Process in Kosovo
2	<i>Dates:</i>	January – March 1990
	<i>Program:</i>	Research/study visit
	<i>Principal subjects / occupational skills covered:</i>	Two months specialisation research work on Optimisation and Design of Turbogenerators
	<i>Name and type of institution providing education and training:</i>	Research Institute of Rade Koncar factory in Zagreb, Croatia Croatian Government Fund

1	<i>Dates:</i>	March – July 1987
	<i>Program:</i>	Research/study visit
	<i>Principal subjects / occupational skills covered:</i>	Three months specialization research work on Computer Aided Design
	<i>Name and type of institution providing education and training:</i>	Computer Centre of Birmingham University, UK British Fund
